SALFORD SHOPPING CENTRE CELEBRATES AN EGG-CELLENT EASTER

Families from across Salford enjoyed an egg-cellent Bank Holiday weekend at Salford Shopping Centre, thanks to a whole host of cracking Easter activities fit for all the family.

The Easter Bunny kicked off the event on Friday 30th March by making a special appearance at the centre, spreading smiles by handing out free mini chocolate eggs to shoppers and meeting local children.

The Creation Station returned to the shopping centre on Saturday 31st March, helping children to make a variety of Easter themed creations that they could take home for family and friends.

From pop-up chick and bunny puppets, to brightly coloured play-doh Easter eggs, children immersed themselves into the Easter themed arts and craft sessions.

Centre Manager at Salford Shopping Centre, Kyla Ankers, said: "We love events that bring the community together. It's always great to see families having plenty of fun.

"We thoroughly enjoyed the celebrations at the weekend. The reaction from both the adults and children to the Easter Bunny was great to see!"
